

# Edit Lipcsei

Junior Fullstack Developer | .NET | SQL | JavaScript

+36 30 5943336 | Budapest | [lipcsei.e@gmail.com](mailto:lipcsei.e@gmail.com) | [LinkedIn](#) | [Github](#) | [www.editlipcsei.com](http://www.editlipcsei.com)

I am actively seeking a challenging role where I can leverage my skills and contribute to a dynamic software development team. I transitioned into the world of software development after a friend of mine introduced me to coding. Passionate about exploring the complexities of programming languages Graduate of Green Fox Academy, where I developed my skills and discovered my love for coding

## Skills

---

- Languages and frameworks: .Net, JavaScript, TypeScript, EF Core, HTML, CSS
- Technologies: Jira, Git, GitHub, GitLab, MySQL, MS SQL
- IDEs: Visual Studio, Visual Studio Code
- Soft Skills: Team player, Committed to Continuous Learning and Improvement, Adaptability

## Projects

---

- MS SQL Practice (2024) - A self-guided project designed to enhance my **SQL** skills through continuous learning and practice. See more details [here](#).
- Contact Management System (2024) - A CRUD web app for contact management. **ASP.NET Core MVC, EF Core, SQL, Bootstrap, N-tier architecture**. See the code on [GitHub](#).
- [www.editlipcsei.com](http://www.editlipcsei.com) (2024) - Creator of a responsive personal website. **HTML, CSS, JavaScript**. See more details [here](#).
- FoxShop Project - Green Fox Academy (February 2023 - June 2023) - Developed a marketplace for trading second-hand electronics and various items, categorized for ease of use. Collaborated in a **5-member team** to build the web app from the scratch. Features include user registration and log-in, advertisements posting and management, category filters, and direct messaging. Tech stack: Next.js (frontend), **ASP.Net Core** (backend), **MySQL, EF Core** (database), Jest and **xUnit** (testing). **SCRUM (Jira)** for project management, with **Git/GitHub** for version control.

## Experience

---

<b>Support Service Manager</b>	Civil Érték Egyesület	(2016 - 2023)
<ul style="list-style-type: none"><li>• Coordinating the work assignments and tasks for employees facilitating the enrollment of employees in</li><li>• Training programs, identifying their developmental needs and providing opportunities for professional growth</li></ul>
